

ALY WILSON QUILTS

getting started

Congratulations, you are in the final steps of completing your quilt!

I have put together a packet about my long arm quilting services. You will find information about pricing and preparing your quilt to walk you through the process.

My goal is to make this process stress-free and relaxing for you. You have worked hard thus far and it is time to let me do some work for you.

Communication will be key while your quilt is in my care. I will help to guide you through each decision from batting to design choice.

Make sure to read through the packet and feel free to contact me at anytime with questions you may have.

Thank you for trusting me with you project and I am looking forward to working with you!

quilt preparation

QUILT TOP

Ensuring that you have prepared your quilt top for long arm quilting helps to make the process smoother. Your quilt top should be as square as possible. Uneven tops and borders can result in puckers and wavy quilting. Give your top a good haircut. Clip all loose and excess threads from the back. Dark threads will show. Measure your top's height and width in inches. Give your top an all over press, paying attention that bulky seams are as flat as possible. If your quilt is directional, safety pin a note to indicate the top of the quilt.

BACKINGS

In order to load the quilt onto the frame for quilting, your back must be at least 5 inches larger than your top side on all four sides.

For example: If your top is 60" x 80" your backing should be 70" x 90".

Backings smaller than requested may not be quilted or a charge may be added for the additional steps it will take to load it on to the frame.

Backing should be squared up. Uneven backings will not load properly onto the frame. This could result in distortion of the quilt and will require additional prep work to ensure this does not occur.

Seamed backings should be done horizontally if possible to decrease bulk on the frame.

Quilts with a vertically seamed backing will be loaded horizontally and this may effect your desired quilting design.

Give your backing a good press and trim.

If your backing is directional, safety pin a note to indicate the top of the backing.

EDGE TO EDGE PANTOGRAPH, THREAD, BATTING

At this time I only offer Edge to Edge Quilting. Please visit my website, alywilsonquilts.com, for current designs. More designs are added frequently.

If you chose to have a novelty themed design quilted that must be purchased, there will be a 50% of the cost charge.

Matching Glide thread is used on the top and bottom of the quilt. There is no charge for standard thread and needle. This is included in the minimum quilting charge.

I offer a variety of packaged Quilter's Dream batting at a cost, or you may choose to provide your own batting. Batting should be at least 2-3 inches larger than your quilt top on all four sides.

QUILTERS DREAM BATTING AVAILABLE

Package batting is available for purchase. If you would like a batting that is not list for your quilt, please let me know and it can be ordered for you. This would be batting such as Black Dream Poly Select, Dream Poly, Dream Bamboo, Dream Wool or white. Ordering of special batting may increase the turn around completion time of your quilt due to unforeseen shipping times.

If you are looking to place a batting only order please contact me, I would love to help.

ALY WILSON QUILTS

disclosure

GENERAL DISCLOSURES

Photography of your project may be done for promotional purposes. These photos may be used on social media platforms or used on alywilsonquilts.com. Credit will be given to the customer for the construction of the quilt top, pattern and fabric designers.

Credit to Aly Wilson Quilts should be given for the quilting in customer's photography and quilt show displays.

Quilting puckers and waves due to uneven quilt tops, borders, or backings will not result in a refund of money.

Aly Wilson Quilts is a pet friendly home based business. The quilting area is kept pet free and cleaned frequently.

Quilts unclaimed/unpaid for 3 months after completion and after multiple, unsuccessful communication attempts will be considered "Abandoned Quilts". These quilts will either be donated or sold.

There is a minimum quilting charge of \$40.00. This does not include batting and other charges that may occur.

Trimming and binding may be offered on a case by case basis. Cuddle backings will not be trimmed.

If you are planning to self bind your quilt with it's backing, please let me know ahead of time, since the edge to edge quilting will extend the top surface.

Currently completion time is updated on my website. Quilts needing to be completed quicker than the posted time will be charged a "move to the front of the line" fee.

Payment is accepted via Cash, Check, Zelle, or PayPal.
